

Intro to Trail Maintenance

Welcome!

We'll begin shortly after 5:00 PM

Zoom Technology Tips

Why are we here tonight?

Tonight's training

- Hillside hydrology
- How trails work & the concepts of trail design
- Safety & personal protective equipment
- Developing “trail eyes”
- Basic trail maintenance skills
- Tools of the trade
- Plus breaks, Q&A sessions, and giveaways!

Pacific Crest Trail Association

Safety and tools

Crew leader center

A one-stop-spot for all things paperwork! Find all the forms you need for before, during, and after your trail crew project including JHA's, Sign In Sheets, youth forms, and financial documents. Looking for tools and supplies? Scroll to the bottom of this page.

Guidebooks and resources for new volunteers, trail maintenance, and volunteer safety can be found here and in the [volunteer learning center](#). Information about PCTA's Saw Program can be found under [saw training and certification](#).
