

How to Register for a Volunteer Project

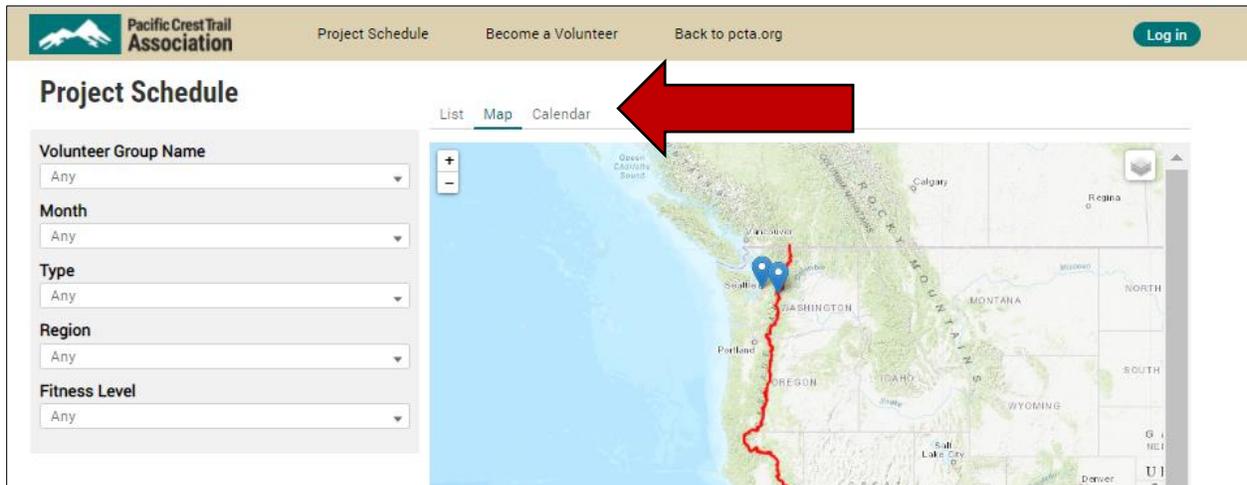

STEP 1

Go to www.pcta.org and navigate to the Project Schedule.

Or, click <https://connect.pcta.org/volunteer/s/project-schedule>.

STEP 2

Use the List, Map or Calendar view to find the project you'd like to join. Click on the project name to open a new window with the project description.

STEP 3

Click the Register button.

Register

STEP 4

If you have a PCTAConnect account:

Make sure you're logged in. You may see a Log In prompt at the top of your screen. Once you're logged in, your information will auto-fill the rest of the registration form. Click Register on the bottom of the screen. You will see a confirmation screen and receive more project details via email.

If you don't have a **PCTAConnect** account:

Fill in the fields on the form, including your name, contact information, and emergency contact. Much of this information will be shared with your crew leader in case of emergency.

Before clicking Register at the bottom of the screen, consider creating a **PCTAConnect** account. That way, your information will be saved and auto-fill the next time you register for a project.

STEP 5

If you need to cancel your registration, please contact us at volunteer@pcta.org or (916) 285-1838. This will allow another interested volunteer to fill your spot.
