FINANCIAL STATEMENTS WITH INDEPENDENT AUDITOR'S REPORT

YEARS ENDED DECEMBER 31, 2020 AND 2019

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Pacific Crest Trail Association Sacramento, California

Report on the Financial Statements

We have audited the accompanying financial statements of the Pacific Crest Trail Association (PCTA), which comprise the statements of financial position as of December 31, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

To the Board of Directors Pacific Crest Trail Association Page two

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Pacific Crest Trail Association as of December 31, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 23, 2021, on our consideration of PCTA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of PCTA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering PCTA's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

1. ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

Pacific Crest Trail Association (PCTA) is a nonprofit, voluntary, membership organization incorporated in the State of California on January 25, 1977.

The mission of the PCTA is to protect, preserve and promote the Pacific Crest National Scenic Trail as a world-class experience for hikers and equestrians, and for all the values provided by wild and scenic lands. PCTA and the U.S. Forest Service work as partners to manage, maintain, and protect the trail. PCTA defends the trail from improper use, abuse, and commercial or private encroachment through land acquisition and land protection programs. PCTA also provides information to help people enjoy the trail and encourages good trail ethics, safe travel practices and appreciative awareness of the trail as a valued national heritage.

Basis of accounting and financial statement presentation – The financial statements are prepared on the accrual basis of accounting and in conformity with professional standards applicable to not-for-profit entities. PCTA reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

Revenue recognition – Contributions and memberships received are recognized in full when received or unconditionally promised, in accordance with professional standards. Conditional contributions are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the condition. All contributions are considered available for unrestricted use unless specifically restricted by donors for future periods or specific purposes. Donor-restricted amounts are reported as increases in net assets with donor restrictions. Net assets with donor restrictions become unrestricted and are reported in the statements of activities as net assets released from restrictions when the time restrictions expire or the contributions are used for the restricted purpose.

Outstanding conditional promises to give to support staff salaries and benefits were 113,000 at December 31, 2020, and will be recognized as revenue as the conditions are met – a 1:1 match in additional funds raised from new or existing sources.

PCTA's revenues from contracts with customers consist of government grants. Revenues from government grants are recognized when PCTA incurs qualifying expenditures in compliance with specific grant provisions. Funds received in advance of being earned are recognized as deferred revenue, which represents a contract liability. Generally, payment is due from the grantor government once PCTA submits an invoice for payment.

Contributed services are recognized if the services received create nonfinancial assets or require specialized skills. Contributed services that do not meet the criteria for recognition are not reflected in the financial statements. Contributions of goods are recorded at their fair market value. Marketable securities and other noncash contributions are recorded at their estimated fair values at the date of donation.

Cash and cash equivalents – For financial statement purposes, PCTA considers all investments with an initial maturity of three months or less to be cash equivalents, unless held for long-term investing purposes.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

PCTA minimizes credit risk associated with cash by periodically evaluating the credit quality of its primary financial institution. The balance at times may exceed federally insured limits. As of December 31, 2020 the cash balance exceeded federally insured limits by approximately \$25,000. The cash balance did not exceed federally insured limits as of December 31, 2019. PCTA has not experienced any losses in such accounts and management believes PCTA is not exposed to any significant credit risk related to cash.

Accounts receivable – The majority of accounts receivable are due from the U.S. Forest Service and are scheduled to be received within one year. Accounts receivable related to contracts with customers totaled \$141,095, \$88,534, and \$108,636 at December 31, 2020, 2019, and 2018, respectively. Management believes all of the receivables are collectible; accordingly, no allowance for doubtful accounts has been established. Receivables are determined to be past due based on contractual terms. Receivables are charged off when management has exhausted all collection efforts.

Pledges receivable – Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Conditional promises to give are recognized when the conditions on which they depend are substantially met and the promises become unconditional. Management has determined that the present value discount related to long-term pledges receivable is not material, therefore a present value discount has not been recorded. Management believes all pledges receivable are collectible; accordingly, no allowance for uncollectible pledges has been established. Noncurrent pledge receivables are all expected to be collected in 2022.

Investments are reported at fair value and held for long-term purposes. Unrealized gains and losses are included in the change in net assets.

Land held for conservation includes purchased properties to be sold or transferred to governmental agencies to protect the trail. Purchased land is stated at the lower of cost or fair market value.

Furniture and equipment is stated at cost or, if donated, at the estimated fair market value at the date of donation. PCTA capitalizes all expenditures for property and equipment in excess of \$1,000. Depreciation is computed using the straight-line method over estimated useful lives of individual assets ranging from 3 to 5 years.

Functional allocation of expenses – The costs of program and supporting services activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Accordingly, certain costs have been allocated among the programs and supporting services benefited. The financial statements report certain categories of expenses that are attributed to more than one program or supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries, wages, and benefits, which are allocated based on estimates of employees' time incurred. All other expenses are allocated based on management's estimate of the usage of resources.

Income taxes – PCTA is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code and Section 23701(d) of the California Revenue and Taxation Code. PCTA has applied the accounting principles related to accounting for uncertainty in income taxes and has determined that there is no material impact on the financial statements.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

Fair value measurements – Fair value is a market-based measurement, not an entity-specific measurement. For some assets and liabilities, observable market transactions or market information might be available. For other assets and liabilities, observable market transactions and market information might not be available. However, the objective of a fair value measurement in both cases is the same—to estimate the price at which an orderly transaction to sell the asset or to transfer the liability would take place between market participants at the measurement date under current market conditions (that is, an exit price at the measurement date from the perspective of a market participant that holds the asset or owes the liability). In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs is used to measure fair value into three broad levels, as follows:

- Level 1 Inputs Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 Inputs Inputs other than quoted prices in active markets that are observable either directly or indirectly.
- Level 3 Inputs Unobservable inputs for the asset or liability.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates. PCTA's significant estimates include the valuation of investments, the collectability of accounts and pledges receivable, selection of useful lives of furniture and equipment, and the allocation of functional expenses.

Recent Accounting Pronouncement – In February 2016, the FASB issued ASU 2016-02, *Leases* (Topic 842). The new accounting standard requires lessees to recognize a lease liability measured on a discounted basis and a right-of-use asset for all leases with terms longer than 12 months. Application of this statement is effective for the year ending December 31, 2022. PCTA is currently evaluating the impact this pronouncement will have on the financial statements.

Subsequent events have been evaluated through April 23, 2021, the date the financial statements were available to issue. Management concluded that no material subsequent events have occurred since December 31, 2020, that require recognition or disclosure in such financial statements.

2. LIQUIDITY AND AVAILABILITY OF RESOURCES

PCTA's cash flow has seasonal variations during the year attributable to a concentration of contributions received near calendar year-end. To manage liquidity, PCTA maintains a Board Designated Cash Reserve with a balance of \$683,723 at December 31, 2020 and 2019. The cash reserve can be drawn on as needed throughout the year to manage cash flow and is then replenished by the end of the fiscal year. The Board may also choose to appropriate funds for use from the Board Designated Endowment for special projects or for unanticipated liquidity needs. The Board has also established a Board Designated Land Protection fund which may be appropriated for land protection program expenses as needed. Board Designated funds are invested in short-term investments. Additionally, PCTA has a bank line of credit of \$200,000 that may be drawn upon in the event of an unanticipated liquidity need. If the line of credit is used, the bank requires it to be repaid within 12 months.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

The following reflects PCTA's financial assets as of the statement of financial position date, reduced by amounts not available for general use within one year of the statement of financial position date because of donor-imposed restrictions or internal designations. Amounts available include the board-approved appropriation from the endowment fund for the following year. Amounts set aside for operating and other reserves can be drawn upon if the Board of Directors approves that action.

	<u>2020</u>	<u>2019</u>
Financial assets, at year-end	\$ 5,063,924	\$ 4,426,114
Less those unavailable for general expenditures within		
one year, due to:		
Donor-imposed restrictions:		
Endowment funds to be held in perpetuity	(1,091,114)	(1,084,640)
Restricted by donor for specific purposes	(947,629)	(922,997)
Accumulated earnings on endowment funds	(593,713)	(433,015)
Board designations:		
Land protection	(813,775)	(994,232)
Endowment	(81,676)	(77,866)
Plus Board approved appropriation for following year	 250,000	 250,000
Financial assets available for general expenditures		
within one year	\$ 1,786,017	\$ 1,163,364

3. FURNITURE AND EQUIPMENT

Furniture and equipment consist of the following at December 31:

	<u>2020</u>	<u>2019</u>
Office furniture and equipment	\$ 210,774	\$ 206,672
Website and software	72,752	72,752
Software in process	195,640	
Leasehold improvements	6,124	6,124
Total	 485,290	 285,548
Less accumulated depreciation	 (235,904)	 (205,284)
Furniture and equipment, net	\$ 249,386	\$ 80,264

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

4. INVESTMENTS

Investments consist of the following at December 31:

	<u>2020</u>	<u>2019</u>
Money market funds	\$ 2,456,072	\$ 2,362,359
Government bond funds	163,473	141,256
Bond index funds	316,940	284,208
Stock index funds	710,960	646,159
International bond index funds	153,585	140,179
International stock index funds	 335,756	 302,565
	\$ 4,136,786	\$ 3,876,726

Investments are classified as Level 1 in the fair value hierarchy, as the fair value of the assorted funds are based on their daily closing prices.

5. PAYCHECK PROTECTION PROGRAM LOAN

On May 3, 2020, PCTA received a Paycheck Protection Program (PPP) loan under the Federal Coronavirus Aid, Relief, and Economic Security (CARES) Act totaling \$421,558. The terms and repayment conditions of PPP loans were modified through the subsequent Paycheck Protection Program Flexibility Act (PPPFA) signed into law in June 2020. Under the CARES Act, as modified by PPPFA, a portion or all of the loan and accrued interest may be forgiven provided the funds are spent on qualifying payroll and other expenditures in the 24-week period following the loan and provided certain other criteria regarding full-time equivalent employee and payroll levels are maintained. The portion of the loan that does not qualify for forgiveness or any additional amount that PCTA chooses to retain as a loan, is required to be repaid within 2 years at 1% interest, with payments commencing 10 months subsequent to covered period of 24 weeks following the date of disbursement of the loan.

PCTA is in the process of evaluating whether or not they will apply for forgiveness, however the application for loan forgiveness is subject to approval by the lender and could also be subject to audit at a future date. It is reasonably possible that the entire loan will be required to be repaid.

If PCTA is required to or chooses to repay the loan in full, future minimum principal payments on the loan payable are as follows:

Year ending June 30:		
2021 2022	\$	139,581 281,977
Total	<u>\$</u>	421,558

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

6. LEASES

PCTA leases headquarter office space in Sacramento, California with a lease term expiring September 30, 2021. In addition, PCTA has five regional offices, three with lease agreements, located along the trail. One leased on a month-to-month basis and the other two lease terms expire in September 2021 and January 2022. Rent expense was \$135,452 and \$132,500 for the years ended December 31, 2020 and 2019, respectively.

Future minimum lease payments under noncancelable lease agreements are as follows:

2021 2022	\$ 94,891 535
	\$ 95,426

7. EMPLOYEE BENEFIT PLAN

PCTA sponsors a 401(k) plan covering substantially all employees. PCTA can elect to make a discretionary matching contribution as well as a safe harbor contribution annually. Employer contributions to the plan were \$122,091 and \$123,477 for the years ended December 31, 2020 and 2019, respectively.

8. RESTRICTIONS AND DESIGNATIONS OF NET ASSETS

Net assets without donor restrictions are designated for the following purposes at December 31:

	<u>2020</u>	<u>2019</u>
Board designated for land protection	\$ 813,775	\$ 994,232
Board designated for reserves	683,723	683,723
Board designated endowment	 81,676	 77,866
	\$ 1,579,174	\$ 1,755,821

Net assets with donor restrictions that are not perpetual in nature are restricted for the following purposes:

	<u>2020</u>	<u>2019</u>
Trail maintenance	\$ 417,395	\$ 470,103
Donor restricted endowment earnings	593,713	433,015
Technology upgrade project	476,895	355,233
Land protection	40,172	97,661
Advocacy	 13,167	
	\$ 1,541,342	\$ 1,356,012

At December 31, 2020 and 2019, net assets with perpetual donor restrictions consist of endowments totaling \$1,091,114 and \$1,084,640, respectively, which are restricted to investment in perpetuity. See Note 11.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

9. LINE OF CREDIT

PCTA has a line of credit of \$200,000 with a bank expiring March 1, 2022. Borrowings under the line bear interest at the greater of prime plus 2%, or 5%. As of December 31, 2020 and 2019, there were no borrowings on the line of credit.

10. DONATED SERVICES

In 2020 and 2019, volunteers donated a total of 31,295 and 106,512 volunteer hours to PCTA, respectively. Under generally accepted accounting principles (GAAP), PCTA records the value of donated services in the financial statements at fair market value as both a donation and a program expense. Not all hours are recorded in the financial statements because they do not meet the criteria for recognition under GAAP. However, PCTA recognizes these hours as a valuable contribution, as the work could not be accomplished without the volunteers. COVID-19 closures and safety protocols affected volunteers ability to get out on the trail and contribute their time in 2020. The total value of donated services for the year ended December 31, 2020 and 2019 are as follows:

Donated services recorded in the financial statements valued at fair value:

	<u>2020</u>	<u>2019</u>
Graphic design (public information and education) Chain-saw operation and skilled construction (trail program)	\$ 60,000 102,772	\$ 57,360 293,310
	\$ 162,772	\$ 350,670
Donated services not recorded in the financial statements:		
	<u>2020</u>	<u>2019</u>
Volunteer hours Value of hours at standard federal rate	\$ 27,246 741,098	\$ 95,673 2,432,952

11. ENDOWMENT FUND

As required by generally accepted accounting principles, net assets associated with the endowment fund are classified and reported based on the existence or absence of donor-imposed restrictions.

PCTA has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, PCTA classifies as permanently restricted net assets a) the original value of gifts donated to the permanent endowment, b) the original value of subsequent gifts to the permanent endowment, and c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The investment income of donor-restricted endowment funds is classified as net assets with donor restrictions until those amounts are appropriated for expenditure.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2020 AND 2019

PCTA has adopted an investment policy that specifies the primary objectives are to provide a predictable stream of funding for endowment purposes while maintaining the purchasing power of the endowment assets over time. Endowment assets are invested in a well-diversified asset mix including both equity and debt securities. The intended result is to achieve a real (after inflation and expenses) total rate of return equal to or greater than the spending rate. Therefore, PCTA expects its endowment assets, over time, to produce an average rate of return of approximately 5% - 6% annually and inflation to average 2 - 3% annually.

Three percent (3%) of the endowment fund is appropriated for distribution each year, calculated based on the average fair market value of the prior 12 quarters. The 3% allowable annual distribution from the fund does not carry forward to subsequent years if not taken in the current year.

Changes in the endowment fund for the year ended December 31, 2020 were as follows:

	Board Designated Unrestricted		Purpose Restrictions		Perpetual Restrictions		Total	
Endowment net assets,								
beginning of year	\$	77,866	\$	433,015	\$	1,084,640	\$	1,595,521
Contributions						6,474		6,474
Investment income, net		495		202,200				202,695
Amounts appropriated for Board								
Designated endowment		58,315		(41,502)				16,813
Amounts appropriated for								
expenditure		(55,000)						(55,000)
Endowment funds, end of year	\$	81,676	\$	593,713	\$	1,091,114	\$	1,766,503

Changes in the endowment fund for the year ended December 31, 2019 were as follows:

	Board Designated Unrestricted		Purpose Restrictions		Perpetual Restrictions		Total	
Endowment net assets,								
beginning of year	\$	90,834	\$	235,019	\$	1,078,244	\$	1,404,097

expenditure		(14,716)						(14,716)
Endowment funds, end of year	\$	77,866	\$	433,015	\$	1,084,640	\$	1,595,521

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

Independent Auditor's Report

To the Board of Directors Pacific Crest Trail Association Sacramento, California

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Pacific Crest Trail Association (PCTA), which comprise the statement of financial position as of December 31, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated April 23, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered PCTA's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of PCTA's internal control. Accordingly, we do not express an opinion on the effectiveness of PCTA's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control, such that enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Board of Directors Pacific Crest Trail Association Page two

Compliance and Other Matters

As part of obtaining reasonable assurance about whether PCTA's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of PCTA's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the origination's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
